Peace's Birthday

It was a beautiful January morning. The Webkinz were preparing for a birthday party. One of their newer friends, Peace, is having a birthday today. "Are the decorations all up?" asked Lulu to Bronta.

"Yep, they should be." said Bronta.

"Hey, guys. Peace is coming back." said Hugo.

"Quick, everyone. Hide!" said Alley. Everyone hid behind some furniture. Peace came in through the front door.

"Why are all the lights turned off?" asked Peace to herself. She turned on the lights.

"Surprise!" screamed everyone in unison.

"Aw. You guys remembered that today was my birthday. You guys are the best." said Peace.

"Thanks, Peace. Look, the cake and the presents are in the other room." said Lea.

"Alright." said Peace.
